

2015 Vintage

2015
**CELILO
VINEYARD**
Chardonnay
(Columbia Gorge AVA)

Terrific acidity and a great deal of minerality, derived from being planted directly into pulverized basalt. Nose and palate share apple and pear with hints of banana. The wine is beautifully balanced and changes dramatically over the course of a meal.

2015
**WILLAMETTE
VALLEY**
Pinot Blanc
(Willamette Valley AVA)

Aromatically has bright notes of melon, grapefruit, butterscotch with refreshing acidity. It is very clean and focused on the palate. Barrel fermentation and aging on the lees allows for greater texture.

2015
**SAVOYA
VINEYARD**
Chardonnay
(Yamhill-Carlton AVA)

This wine is barrel fermented and barrel aged. Throughout the aging process the wine remains with the original yeast, creating a beautiful glycerin-based mouth feel. The oak is very integrated, and the focus of the wine is bright mineral based with excellent acidity and detailed qualities of tropical and citrus notes.
