

# 2022 *Auric Pinot Noir*

Each vintage, Ken meticulously tastes every barrel in the cellar before creating the final bottlings. During these extensive tastings, there will be a few rare barrels that are remarkably compelling. These barrels are reserved for Auric Pinot Noir.

The meaning of the word Auric is “containing gold” or “the aura surrounding a living thing.”  
Wine is indeed a living thing.

*This bottling is extremely limited.*
